

What gets talked about in an organization and how it gets talked about determines what will happen.

Or won't.

## Two-Day Seminar

fierce. **CONVERSATIONS<sup>®</sup>**

***PRESENTED BY: JERRY COVEY, FORMER AK  
COMMISSIONER OF EDUCATION***

Based on the principles of Susan Scott's best-seller, "Fierce Conversations: Achieving Success at Work & in Life, One Conversation at a Time" this foundational, hands-on workshop will introduce you to transformational ideas and principles that will shift your basic understanding of conversations and the power they hold in leadership, relationships and results.

You'll learn to master team conversations, coaching conversations, delegation conversations & confrontation conversations—all essential to your individual and collective success.
