Cathie Roemmich, CEO  
Juneau Chamber of Commerce  
3100 Channel Drive, STE 300  
Juneau, Alaska 99801

Dear Ms. Roemmich:

The Greater Fairbanks Chamber of Commerce supports improving transportation infrastructure throughout Alaska, including better access to our state's capitol. We understand that the proposed Lynn Canal Highway and associated fast ferry link to Haines and Skagway is expected to significantly increase surface access to Juneau, and reduce the cost to motorists traveling these routes.

We encourage all chambers state wide to work together as funding is allocated to various projects. We recognize the need to advocate for and along side each other.

It is also our understanding that when completed, this project will result in an overall reduction in the cost to the State of Alaska for maintenance funding required to support the combined highway/ferry system.

Improving access to Juneau is important to Alaska residents as well as the influx of visitors who explore our state each year. We support the Lynn Canal Highway Project.

Sincerely,

Board of Directors  
Greater Fairbanks Chamber of Commerce
